

Coronavirus in North Carolina Archive

October 12, 2020

We at the North Carolina Medical Group Management Association (NCMGMA) want to help our members and fellow healthcare administrators in North Carolina stay informed of the latest coronavirus information.

Use this page to help you navigate and locate resources within our state, and to keep abreast of how our organization is responding to the this growing pandemic.

NOTE: NCMGMA has not vetted these resources and recommends you consult your attorney or CPA before making any changes to how you conduct business. This page is for your information only.

Call for information

In this time of crisis, we are humbled and uplifted by the outpouring of support and sharing of information by fellow members, MGMA State Affiliates and our Alliance sponsors. If you have any news, resources or educational information you would like to share that could benefit the practice management community, please forward it along to us at info@ncmgm.org. If we can use it, we will place it on the Coronavirus in North Carolina page of NCMGMA News. **Note:** *please no advertisements or company promotional material.*

About this Page

The goal of the page is not to be an authority but to serve as a collection site for healthcare administrators in North Carolina looking for information regarding the coronavirus.

NOTE: NCMGMA has not vetted these resources and recommends you consult your attorney or CPA before making any changes to how you conduct business. This page is for your information only.
