

**Lisa Farrell**

Lisa Farrell is the President and CEO of North Carolina Provider Owned Plans, a new provider-owned and led health plan intending to bid to serve North Carolina's Medicaid population. Our plan is owned by eleven North Carolina not-for-profit health systems. Ms. Farrell has over 20 years of experience in integrated healthcare systems. Previously she served as President of Presbyterian Health Plan where she was responsible for overseeing a \$2 billion provider-owned and led health plan serving more than 430,000 New Mexicans and which is the largest and only Medicaid Managed care plan to continually serve the state since the programs inception in 1997.
